Tomorrow's Talk Newsletter - December 2011 & January 2012

Welcome....

We can't deny it any longer....Christmas is nearly here!!! We have some wonderful classes coming up for you which we know you will love.

Dates and events to watch for

Our latest 'Create@Home' kit was designed by our talented Rebecca Beattie. This kit was based around the gorgeous "Butterfly Garden" paper range from Pink Paislee and the kit has been extremely popular. Beck designed two gorgeous layouts that we know you will love...thanks heaps Beck!

The next release of our Create@Home kit will be a little different and we are very, very excited about the change and know you will love it too!!! Stayed tuned for more exciting news on that!

We have a stunning 'Festive' themed class just in time for Christmas. Mel has designed a very cute home decor piece to get your Christmas decorating started or to give as a Christmas gift to someone special. The class is on Saturday 3rd December from 10.30am-1.30pm bookings are essential.

Our final Moonlight for the year is Friday 9th December and it will definitely have a Christmas theme! Please phone the shop on 9279 2183 to book your spot...limited places are available!

Our personal journal

We were thrilled to host Ingvild Bolme at our store earlier in November as part of the Prima Roadshow. The ladies who attended the day created a beautiful layout and were inspired by Ingvild's unique teaching style. We have definitely put our hand up to host another Prima workshop next year!

This term has been extremely busy with our children and all their activities. Grace attended her first camp and had a fantastic time away from home even though the weather wasn't the best. Jack had a fantastic year at school and won two awards at the Trinity College Presentation night.

Clori was extremely proud to see Luke in his first performance with the Trinity Pipes and Drums at the Trinity Fair. Alex is getting very excited about her big move to Mercedes College next year and is enjoying all the preparations for her Graduation from primary school.

Vicki has managed to get Georgia through her final Year 12 exams and is helping her plan her trip down south for Leavers! Lucas won a People's Choice Award for his 3D art piece of a piranah at the Trinity Fair. Jacob is busy in rehearsals for his 'Boys in Groove' dance performance at his final Trinity Junior School presentation night and getting very excited about moving up into Middle school.

So, as you can tell we have been very busy on the home front as well as at the shop and we are all looking forward to a break over Christmas to sit back and relax for a little while.

We would like to thank all of you for your friendship and support over the last year. We have seen more scrapbooking shops close over the last year which reflects how difficult it is in this current climate. We are proud to say that we are one of the oldest scrapbooking shops around that still has the original owners working and running the store... And still going strong!!!

Have a wonderful Christmas and keep close to your emails as we have a great competition planned and a fabulous sale day coming up that will be announced very soon!

Lots of Love
Jo, Vicki & Clori

THOUGHT FOR THE MONTH
