Tomorrow's Talk Newsletter - February & March 2012

Welcome....

The new year is here already and we are about to head into our first (and hopefully our last) heat wave for summer! We hope that you are managing to keep cool. Remember that our shop is always icy cold and the classroom is air conditioned if you want to come down and create!

Dates and events to watch for

Just after Christmas we launched our 'Create@Home' Kit#6 called "Funday Banners Card Set". We were very excited to launch our first card kit and were so lucky to have our very talented Tracey Holdyk design this special kit.

All classes are on display in the shop and are starting to fill up. Pop in to have a look at the samples... you won't be disappointed.

Our two lucky winners of the 'Dusty Attic Dream Date' Sue and Elaine had a very special day with their friends on December 28th. They enjoyed a wonderful class with Mistra and were very spoilt by an amazing Dusty Attic goody bag (thanks so much Jennifer for your generosity).

Our personal journal

Jo, Vicki and Clori had a wonderful Christmas sharing the day with family and friends. It was lovely to have several days where the shop was closed to chill out and relax! Vicki also enjoyed a family holiday to Malaysia and came back very relaxed and tanned!! Jo had a lovely break down south and Clori is busy preparing Alex for her exciting first year at high school.

We look forward to sharing another year in this business with you all and are eager to see where this amazing industry leads us this year.

Lots of Love
Jo, Vicki & Clori

THOUGHT FOR THE MONTH
