## Class Timetable - December 2011 & January 2012

### *A Scrapbooking Journey*

Your introduction to scrapbooking with Tomorrow's Memories will begin with our up to date course called "A Scrapbooking Journey". This course has now been revamped to cover all our "Journey" techniques in a one day workshop. The workshop will run on the first Saturday of each month and is not only a class for beginners but for those of you wanting to refresh some of your basic skills or simply just to produce two classic layouts in one day. You will be taught how to use a variety of tools plus many techniques to create two 12x12 layouts.

**All materials are included in the cost of the course, you will only need to bring your photos with you.**

Date: Saturday 3 December and Saturday 7 January

Time: 10.30am-3pm (Lunchbreak 12.30pm-1pm)

Cost: \$42.00

Requirements: 6x4 portrait photo; Two 6x4 landscape photos

### *The Journey Continues...*

Tomorrow's Memories is proud to launch a newly designed Intermediate series called "The Journey Continues". The course can follow immediately from the "A Scrapbooking Journey" series or classes can be booked individually for those scrapbookers looking for individual layouts which focus on technique. Techniques covered include stamping, doodling, stitching, the art of sketches, ageing and antiquing and many more. Pop into the shop to see the samples as they are simply stunning!

### *Scrap-in-Advance Photoless layout series*

Sometimes we sit down to do a layout and find that we have no photos ready to go!! The 'Scrap-in-advance' photoless layout series, will give you the opportunity to complete a layout without needing to have your photos organised. File the layout until those perfect photos come along at a later date then all you need to do is stick them down and add a heading.

#### **Et Cetera**

Date: Monday 16 January

Time: 7.30pm-9pm

Cost: \$25.50

Requirements: Liquid Scrap Dots; Craft Glue; Paper Distresser;  
Basic Scrap Tools

A beautiful chipboard frame, stunning earthy papers, fabric, flowers, buttons and butterflies... all of Mistra's favourite things all together in one layout! Another in our popular Photoless Series, this layout has room for your own title and journalling, or even more photos if you wish. You will learn how to easily dress your chipboard, and also learn how to alter simple metal embellishments to create something very new and individual!
